ways — but any way you look at it, the Ohio insurance industry is a key economic driver of the state's economy. With more than 200 insurance companies based in Ohio, jobs and financial security are provided to a workforce of 109,000+ Ohioans and growing. The robust competition among the numerous insurance companies operating in the Buckeye state gives Ohio consumers many choices and some of the lowest rates in the nation. The competitive insurance marketplace in Ohio provides businesses, both large and small, with the right types of coverages that support economic growth, innovation and prosperity throughout the state.

The size and importance of Ohio's insurance industry can be measured in several
