## Understanding Insurance Careers in Ohio

A guided exploration of [OhioInsuranceCareers.org](https://ohioinsurancecareers.org)

### What is insurance and why does it matter?

Go to the **Homepage** and the **Community** page of the website. Read about insurance and how it works in the community.

In your own words, what is insurance?

Why is insurance important in people's lives and communities?

What's one way insurance works in the community that you didn't know about before?

Scroll to the bottom of the **Community** page and read the short quotes from people working in insurance today. Choose one quote that stood out to you.

Who said it and what role do they have?

What did this person enjoy most about their work in insurance?

How are they making a difference in their community through their work?

# Real Careers, Real Impact

Go to the **Careers** page and explore the different roles. Choose three careers that interest you and complete the chart below.

Career Title	What They Do	What should people in this role know or be good at?

Which of these careers sounds the most interesting to you? Why?

What are some good things about working in insurance or choosing it as a career?

# Education Pathways

Visit the **Education** page. Explore the map and visit the school websites to dig deeper into programs that can set you apart from the crowd and put you on the fast track to a meaningful career.

Name three colleges or universities that offer an insurance specific program:

School	Program Name/Degree Type

Which program stood out to you the most?

If you enrolled in this program, what would you be the most excited to learn about?

How could this program help you prepare for a career in insurance?

## Insurance Careers in Ohio

Use the **Homepage** and the **Careers** page to learn about what sets Ohio apart and career opportunities in the state.

Ohio is home to more than 275 insurance companies. Why might having so many companies in one industry be a good thing for someone starting their career?

The website says that salaries in the insurance industry are 50% higher than the average private sector salary in Ohio. What does that tell you about the potential benefits of working in insurance?

Scroll to the bottom of the **Careers** page and click “**Insurance Careers in Ohio.**” Browse the directory and pick one company to explore.

Name of company:

Why did this company stand out to you?

What did you learn about the types of jobs or internships they have available?

## Final Reflection

What’s something new you learned about insurance careers?

How might a career in insurance match your skills, interests, or goals?
