

Create a Severe Weather Safety Plan for Your Home

1 **Talk About It!**

Hold a family meeting to discuss tornadoes and other types of severe weather events that are common to your area.

2 **Develop a Family Shelter Plan**

Sketch an overhead view of your house.

Determine where to shelter.

Conduct and practice safety drills so everyone is prepared.

3 **Create Your Disaster Preparedness Kit**

- ✓ Flashlight
- ✓ Battery-operated radio
- ✓ Extra batteries
- ✓ Spare house and car keys
- ✓ Water and non-perishable foods
- ✓ Charged, portable phone charger
- ✓ Blanket

4 **Know the Numbers!**

Fill out the form below with important phone numbers and keep it somewhere safe.
