

Create a Severe Weather Safety Plan for Your Home

1

Talk About It!

Hold a family meeting to discuss tornadoes and other types of severe weather events that are common to your area.

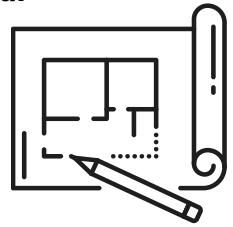

2

Develop a Family Shelter Plan

Sketch an overhead view of your house.

Determine where to shelter.

Conduct and practice safety drills so everyone is prepared.

3

Create Your Disaster Preparedness Kit

- ✓ Flashlight
- ✓ Battery-operated radio
- ✓ Extra batteries
- ✓ Spare house and car keys
- ✓ Water and non-perishable foods
- ✓ Charged, portable phone charger
- ✓ Blanket

4

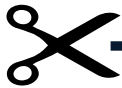

Know the Numbers!

Fill out the form below with important phone numbers and keep it somewhere safe.
